The Zoological Society of Pakistan was established in 1968 with the object of promoting the science of Zoology in all its branches, both pure and applied. It publishes six issues of *Pakistan Journal of Zoology* and *Proceedings of Pakistan Congress of Zoology* a year. The Journal is available in exchange for publications of learned societies, institutions and universities.

The Society also publishes a *Supplementary Series* occasionally to accommodate large articles like memories, checklists, catalogues, etc. which cannot be included in the current annual issues.
