## Subject: Proceedings of 42<sup>nd</sup> Pakistan Congress of Zoology (International) 2024

Dear Colleagues,

I hope you enjoyed your stay and the meeting in Muzaffarabad. I sincerely apologize for any inconvenience that you may have encountered although the local organizing committee did its best to make your stay comfortable and your academic sessions enjoyable.

Now is the time to do some documentation work. **The last date for the submission of research articles for Proceedings of the 42<sup>nd</sup> Pakistan Congress of Zoology (International) is June 30, 2024.**

**The research articles submitted online** will definitely quicken the process of publication.

As I mentioned in the General Body meeting in Muzaffarabad on April 24, 2024 that these articles will be published free of charge and we are developing strategies to get recognition of the Proceedings of Pakistan Congress of Zoology by HEC and ISI.

Your cooperation will be highly appreciated.

With best wishes.

Yours sincerely

  
(Prof. Dr. A.R. Shakoori)
